

REMARKS

The clarifying amendments presented herein correspond to those made in the allowed parent case. Amendments to claim 4-8, 11-15, and 18-20 are made to clarify the claims and to conform the claims to the scope of the subject matter claimed herein. The amendment to claim 3 is made to clarify the nature of the multivalent cation as was the corresponding amendment via an examiner's amendment in the parent case.

Applicant respectfully submits that the claims presented herein, as amended, are patentable over the art of record and earnestly requests the examine to pass them to allowance.

Respectfully submitted,
